

# Ancestor Profile

PAANCESTORS.COM

ARCHIVES OF PENNSYLVANIA BOOK BONUS

**Surname:**

Enter the last name (surname) of the ancestor you are researching. If the surname has changed over time, provide the most commonly used one. List all alternate spellings.

**Given Name(s):**

Provide the first name or names of the ancestor. If there are multiple given names, list them in the order they are commonly used.

**Date of Birth (DOB):**

Enter the birth date of the ancestor if known. If only the year is known, indicate it clearly. If the exact date is unknown, use approximations or qualifiers such as "circa" or "before/after."

**Place of Birth:**

Specify the city or town, county, and state where the ancestor was born. If born outside the United States, provide the country.

**Date of Death (DOD):**

Enter the death date of the ancestor if known. If only the year is known, indicate it clearly. If the exact date is unknown, use approximations or qualifiers such as "circa" or "before/after."

**Place of Death:**

Specify the city or town, county, and state where the ancestor passed away. If the death occurred outside the United States, provide the country.

**Burial Location:**

If available, provide information on where the ancestor is buried, including the cemetery and its location.

**Parents' Names:**

List the full names of the ancestor's parents if known. If only one parent is known, specify.

**Spouse(s) Names:**

Include the full names of any spouses the ancestor had, along with marriage dates and locations. If there were multiple marriages, provide details for each.

**Children's Names:**

List the names of the ancestor's children, along with their respective birth dates and locations.

**Occupation(s):**

Indicate any known occupations or professions of the ancestor. Include the time periods during which these occupations were pursued.

**Military Service:**

Provide details about any military service, including branch, rank, and relevant dates. If the ancestor did not serve, mark as "N/A."

**Residences:**

Enumerate significant places of residence, with associated dates if available. Include both long-term residences and temporary locations.

**Religious Affiliation:**

Specify the religious beliefs or affiliations of the ancestor if known.

**Immigration Details:**

If applicable, document immigration details such as arrival date, port of entry, and any naturalization information. If the ancestor was born in the United States, mark as "N/A."

**Additional Notes or Comments:**

Use this section to include any additional information or research notes relevant to the ancestor. Include sources or references whenever possible.
